FOR IMMEDIATE RELEASE

Wall Street Blockchain Alliance Welcomes Cahill Gordon & Reindel LLP as Newest Corporate Member

New York, NY – May 20, 2025 – The Wall Street Blockchain Alliance (WSBA), a leading non-profit trade association promoting the adoption of blockchain technology and cryptoassets across global markets, is proud to announce that Cahill Gordon & Reindel LLP has joined as its newest corporate member.

"We are thrilled to welcome Cahill Gordon & Reindel to the WSBA," said Ron Quaranta, Chairman of the Wall Street Blockchain Alliance. "Cahill's longstanding reputation for excellence in advising clients on capital markets, banking, and financial services legal matters aligns closely with our mission to foster thoughtful innovation and responsible adoption of blockchain and digital assets. Their expertise will be invaluable to our legal and policy discussions as the regulatory landscape continues to evolve."

About Cahill Gordon & Reindel LLP

Founded in 1919, Cahill Gordon & Reindel LLP is a leading law firm with offices in New York, Washington, D.C., Delaware, and London. The firm is widely recognized for its work in capital markets, banking and finance, litigation, and regulatory advisory services.

Cahill's Digital Assets and Emerging Technology practice, CahillNXT, is the premier destination for clients seeking counsel to help them resolve their most important, their most challenging, and their most sensitive legal and business problems relating to digital assets and the use of emerging technologies. Leveraging the firm's more than century-long track record of excellence and innovation in guiding traditional financial institutions through seismic transformations in the structure and regulation of capital formation and trading markets, the CahillNXT practice is now at the forefront of helping clients navigate the maze of risks and opportunities that flow from the world's next great financial revolution arising from the advent of blockchain technology, cryptocurrency, development in web3 activities, and other emerging technologies.

About the Wall Street Blockchain Alliance

The Wall Street Blockchain Alliance (WSBA) is an industry leading non-profit trade association, with a mission to advocate, guide and promote comprehensive adoption of blockchain technology and cryptoassets across global markets.
