FOR IMMEDIATE RELEASE

Wall Street Blockchain Alliance Welcomes Block, Inc. as Newest Corporate Member

New York, NY – March 24, 2025– The Wall Street Blockchain Alliance (WSBA), a leading nonprofit trade association dedicated to promoting the adoption of blockchain technology and cryptoassets in global markets, is pleased to welcome Block, Inc. as its newest corporate member. As a pioneering company at the intersection of fintech and blockchain, Block, Inc. brings a wealth of expertise in decentralized technologies, digital payments, and financial innovation.

Ron Quaranta, Chairman of the WSBA, commented, "We are excited to welcome Block, Inc. to the WSBA. Their commitment to advancing blockchain technology and fostering financial innovation aligns seamlessly with our mission. As the industry continues to evolve, Block's insights and leadership will be invaluable in driving meaningful discussions and initiatives that shape the future of global financial markets. We look forward to collaborating with them to advance blockchain adoption and innovation."

"We are thrilled to join The Wall Street Blockchain Alliance, an organization dedicated to supporting the development of digital assets and blockchain technology," said Amanda Anderson, Global Head of Public Policy and Government Relations at Block Inc. "At Block, we are committed to advancing innovative financial technology to promote a more inclusive and accessible economy for everyone. We look forward to partnering with WSBA and its members on promoting critical legislative and regulatory clarity for digital assets."
