

PeerNova Joins Wall Street Blockchain Alliance (WSBA)

San Jose, CA – January 24, 2019 – PeerNova Inc. (PeerNova), a leading Distributed Ledger Technology (DLT) solution provider, announced today that it has joined the Wall Street Blockchain Alliance (WSBA) as a corporate member. The WSBA is an industry leading non-profit trade association with a mission to guide and promote comprehensive adoption of blockchain technology across global markets.

“We are excited to join WSBA at a time when post-trade processing space is undergoing many changes,” said Bala Annadorai, Head of Business and Strategy. “As a DLT solution provider focused on building innovative solutions for the financial services market, PeerNova recognizes the importance of being a part of WSBA. We look forward to working together and contributing to the widespread adoption of DLT solutions.”

Notes Ron Quaranta, Chairman of the WSBA: “It is a privilege to have PeerNova join the growing family of WSBA corporate members. Their innovative technology solutions will be critical given the importance of blockchain technology in the evolution of financial markets. We look forward to collaborating with them in advancing the development of blockchain for global markets.”

About PeerNova, Inc.

PeerNova is a Silicon Valley technology company founded in 2013 by veteran entrepreneurs with expertise in financial technology, distributed systems, and Big Data. PeerNova enables financial institutions around the world to securely and verifiably manage their data and address their challenges with post-trade processing, reconciliation, and compliance using a blockchain-based, Distributed Ledger Technology (DLT) solution.
