

Wall Street Blockchain Alliance Adds Sovos as Latest Corporate Member

New York, New York (February 19, 2019) – The Wall Street Blockchain Alliance (WSBA), an industry leading non-profit trade association with a mission to guide and promote comprehensive adoption of blockchain technology across global markets, is proud to announce the addition of Sovos Compliance LLC to the family of WSBA corporate members. Sovos is the leader in tax information reporting, with over three decades experience empowering organizations by avoiding the risks of 1099 reporting. Sovos offers the comprehensive capabilities companies need to stay compliant and protect revenues by avoiding both penalties and reporting inefficiencies.

Ron Quaranta, WSBA chairman noted: “We are delighted to have Sovos as the latest corporate member of the WSBA. As a leading innovator and solution provider for tax and business reporting, their experience and wisdom will be instrumental in achieving our global mission to guide development of blockchain and cryptoassets for our global members”.

Commented Mike Atwood, Strategic Market Director for Sovos: “As cryptocurrencies and blockchain technologies grow in influence and popularity, we feel it is essential to partner with an organization that shares our vision for providing solutions to these markets. We’re excited to partner with WSBA at this critical time to bring solutions and education to the market to aid in rapid adoption of cryptocurrencies and associated technologies”.

About Sovos

Sovos is a leader in global tax, compliance and business-to-government reporting software, safeguarding businesses from the burden and risk of compliance in thousands of tax jurisdictions around the world, with the mission of solving tax for good. The world’s first global platform for modern tax brings together tax determination, e-invoicing, compliance and tax reporting on a cloud-based software platform.
